You Save from \$75 to \$200 When you buy a Wing Piano, you buy at wholesale. You pay the actual cost of making it with only our wholesale profit added. When you buy a piano, as many still do—at retail—you pay the retail dealer's store rent and other expenses. You pay his profit and the commission or salary of the agents or salesmen he employs—all these on top of what the dealer himself has to pay to the manufacturer. The retail profit on a piano is from \$75 to \$200. Isn't this worth saving?

SENT ON TRIAL Anywhere We Pay Freight No Money in Advance. We will place a Wing Piano in any me in the United States on trial, with-

nome in the United States on trial, with-out asking for any advance payment or deposit. We pay the freight and all other charges in advance. There is nothing to be paid either before the piano is sent or when it is received. If the plano is not satisfactory after 20 days' trial in your home, we take back entirely at our expense. o keep the plane than if you were examining it at our factory. There can be absolutely

to keep the plane than if you were examining it at our factory. There can be absolutely no risk or expense to you.

Do not imagine that it is impossible for us to do as we say. Our system is so perfect that we can without any trouble deliver a plano in the smallest town in any part of the United States just as easily as we can in New York City, and with absolutely no trouble or annoyance to you, and without any thing being paid in advance or on arrival either for freight or any other expense. We take old planos and organs in exchange, A guarantee for 12 years against any defect in tone, action, workmanship or material is given with every Wing Piano

### Small, Easy Monthly Payments

In 37 years over 40,000 Wing Pianos have been manufactured and sold. They are ecommended by seven governors of States, by musical colleges and schools, by promine rechestra leaders, music teachers and musicians. Thousands of these pianos are in your State, some of them undoubtedly in your very neighborhood. Our catalogue conformation of the con
